

Welsh Golf Club Network News

Llanishen Golf Club has helped to develop the Welsh Golf Club Network with other Golf Clubs, spread from Cradoc to Clyne.

This means that there are now **eight** other clubs that Members of Llanishen may play at **NO** cost.

This collaboration is unique in this part of the country, and offers Club members added value for their annual subscription, saving an estimated £250 when playing all 8 courses.

The reciprocal arrangement allows playing members of the Welsh Golf Club Network Clubs to play once each year at the other reciprocal Clubs, free of charge. Each week participating Clubs make available 2 tee times for the Network Clubs. Members may take guests to these participating Clubs, paying a reduced Member's Guest fee. If more than one consecutive tee time is required, the additional starting time will be charged at a special reduced rate.

When you arrange a game at these clubs a voucher is validated by Adrian Jones, the Professional, or by Colin or Andy in the Manager's Office, for presentation on arrival at the host Club. Please allow sufficient notice when requesting a voucher.
